

NEW FAIRFIELD SENIORS BACK AND HAPPY!

We're so happy to have our friends back here at the Senior Center that we thought we'd highlight a few of them by doing a little check-up interview.

Here's Marge:

What is your favorite thing about returning to the Senior Center? It's a wonderful place and a big part of my life since I joined in 2012. I really missed it. I missed all the people here. The community needs the Senior Center so we can get to meet people.

What else do you like about coming here? There are so many different programs. My favorite is Bingo. It's convenient because I live nearby and the staff is very nice.

What helped you make it through the pandemic?

Family!
