# Sheffield Island Norwalk, CT

## Imax Theatre at the Maritime Museum

**Thursday, August 9, 2018 ( New Date)**

Getting to Sheffield Island is half the fun. Take a 45 minute picturesque boat ride from South Norwalk aboard the ferry. Cruise down the Norwalk River to the entrance of the harbor. The coast of Norwalk is filled with marinas, yacht clubs and lovely waterfront properties.

Once on the island your pace will slow - your day will include a box lunch to be enjoyed under the covered pavilion. Stroll the grounds, see the Sheffield Island Lighthouse built in 1868.

The Maritime Aquarium is home to the largest IMAX theatre in CT. Following our cruise enjoy their latest film, **BACKYARD WILDERNESS** on a screen as tall as a six story building. The screen transports you into the movie with the highest quality visuals & sounds.
